

ACADEMY OF TELEVISION ARTS & SCIENCES
FOR YOUR CONSIDERATION (FYC) BY MAIL POLICIES AND PROCEDURES

In an effort to be more eco-friendly, FYC screeners will not be accepted with any additional marketing materials or elaborate packaging.

All DVDs should be housed in standard paperboard jackets, wallets or sleeves. Alternatively, Amaray style (or equivalent) DVD cases may be used.

Multiple DVDs may be packaged as a set in a simple box no larger than a standard mailbox.

The printed material that is on the DVD jacket or in the DVD box may include branding and marketing information about the screener and should be designed in a similar style as a commercially available consumer DVD.

YOU MAY NOT USE THE IMAGE OF THE EMMY® STATUE.

The Academy strongly recommends the use of eco-friendly packaging, i.e. Paperfoam, Jakebox and Repak packaging.

NO hard plastic jewel cases.

NO ancillary materials, i.e. magnets, flashlights, books, key chains.

NO elaborate packaging, i.e. globes, pyramids, paint cans, cereal boxes.

All packaging is subject to final approval by the Television Academy. Please contact Sheri Ebner (818-754-2881 or ebner@emmys.org) prior to designing and producing your FYC packaging.

NO POSTCARDS MAY BE SENT: We no longer offer the option of sending postcards prior to sending out your FYC screeners.

Any entrant in the Primetime Emmy Awards competition may use the Television Academy's mailing house to send to the voting membership "For Your Consideration" screeners.

If you would like to post your Emmy-entered program(s) on the Television Academy's FYC website, please refer to the separate "FYC online" document found at www.emmys.tv/downloads.

All voting members of the Television Academy (U.S. residents and non-U.S. residents) will receive these mailings and do not need to contact the Academy to request them.

Anyone sending screeners may contact the Academy's fulfillment house to mutually devise a method for tracking screeners back to the members to whom they were sent. Orders must be placed at least thirty days prior to the mailing date in order to allow the fulfillment house time to prepare the mailing for tracking. Because of the special handling required, the usual handling charges do not apply and they must be mutually worked out by the sender and the fulfillment house. The purpose of this procedure is to allow senders a means to protect their property from piracy and/or sale.

If you have entered the Emmy competition and would like to send a mailing, here is a summary of the "For Your Consideration" mailing policy and procedures:

1. *What may be sent in the mailings?*

DVDs or USB flash-drive/memory sticks.

2. *Are there restrictions on the number of programs or episodes sent in a mailing?*

No. One or more than one program or episode, as aired in its entirety, may be sent – with the exception of the performer rule below.

OPTIONAL RULE FOR PERFORMER ENTRANTS ONLY: If they wish to, performer entrants may edit their entries down to their appearances only. This is not mandatory, but if this option is chosen, performers must include all their appearances in sequential order from the entire program or from one episode for series performers. (Clips from more than one episode may be included, but additional charges will apply.)

3. *What are the requirements of the mailings?*

It is not mandatory, but encouraged, to include the phrase “For Your Emmy Consideration” either on the packaging or prior to the on-screen titles of the program. You may also include the specific category and airdate.

You MAY NOT use the image of the Emmy® statue.

Please note: final categorization is up to the Primetime Awards Committee, so it may be that categorization assumed by the sender will be different from the final categorization made by the Awards Committee. If you are unsure or there are too many entries represented by the program to be reasonably accommodated on the label with a separate designation for each, indicate that the program is for the viewer’s consideration in all (or most) of the eligible categories. It is helpful to include the character’s name for performer entrants.

4. *Does the Academy charge anything per mailing?*

Yes. The Academy charges \$150 per program or episode, per peer group, with a cap of \$1500 per program or episode. For example:

1-9 peer groups @ \$150 per peer group per program or episode

10 or more peer groups - flat rate of \$1500 per program or episode

See the Peer Group Breakdown List on page 4 for a listing of all 27 peer groups.

5. *What are the mechanics of the mailing?*

- 1) Fill out the order form and send it with payment to the Academy for approval. The contact at the Academy is Sheri Ebner 818-754-2881 or ebner@emmys.org.**
- 2) Deliver screeners and payment for shipping and handling to 3R Printing which handles the preparation for mailing and delivery to the post office. The contact at the mailing house is Ed 818-841-8000 or threer@pacbell.net. Postage and handling fees must be received before your screeners will be mailed.**

It is the sender’s responsibility to put either on the packaging or on the screener itself, written notification prohibiting recipients from selling or otherwise transferring possession of the screener in any manner, and the Academy shall have no responsibility for a recipient’s violation of this prohibition.

6. *What is the time frame for the balloting?*

Nominating ballots will be available on June 4, 2010. The return deadline is June 21, 2010.

7. *What is the time frame for the mailing?*

The deadline to deliver screeners to 3R Printing is June 7, 2010. Mailings will be sent out as soon as possible or within eight (8) days after receipt. Screeners may not be stored at 3R Printing.
